FROM THE UNITED STATES GAZETTE.  
"THE SUMMER'S GONE."  
The summer's gone—and every flower  
That waved its beauties to the sun,  
Has bloomed its brief but lovely hour,  
Has shed its fragrance—and is gone.

The summer's gone—and many a hope  
Has budded with the early spring,  
Has seen its blossoms brightly open  
To wither like a blighted thing!

The summer's gone—and many an eye,  
That brightly shone, in tears is shrouded—  
And hearts that loved us—withered lie,  
Or worse than this, by coldness clouded.

The summer's gone—but soon again,  
Shall blush and breathe upon the air,  
The enamored flower, and paint the glen,  
But those I loved will not be there.

FROM THE SATURDAY EVENING POST.  
THE WIDOW GRIMES.  
The widow Grimes is still alive,  
A lady, sage and good—  
She speaks no scandal of her friends—  
Except as ladies should.

She always frowns upon her foes,  
But smiles her friends to cheer—  
Whoever finds old Grimes' hen,  
Can send it back to her.

She's kind and bounteous to the poor,  
She's affable and free—  
She never talks one fast asleep,  
Except when she drinks tea.

Her neighbors thought she had turned out,  
Some score of years ago,  
But that her friends mistaken were,  
Her after life shall show.

She got a cap and bonnet fine,  
All trimmed with ribbon gay,  
And tried her best to catch a beau,  
Some naughty people say.

In church she always gravely looks,  
And has been seen to weep;  
But there she ne'er was known to snore,  
Unless she fell asleep.

And now this worthy family,  
Old Grimes, his wife and son,  
And beauteous daughters have been praised,  
Our rhyming must be done.

**Eclipses.**—In the year 1837, there will be five Eclipses—three of the sun, and two of the moon. A very partial eclipse of the sun will take place on the 5th April, 4th May, and 29th October. On the 20th April, the moon will be totally eclipsed, also on the 13th October. Of these, the last will be visible in the United States.

**The Public Deposites.**—The Rhode Island Legislature on Friday afternoon passed a bill providing that the portion of the public money which shall be received by the State of Rhode Island, shall be deposited in the several Banks of the State which have conformed with the laws of the State, and which will agree to receive the same, and pay to the State interest at the rate of five per cent. The interest is appropriated to the support of public schools. An attempt was made to amend the bill, in such manner that each town should be entitled to receive a part of the money, in proportion to its population, but the amendment was rejected by a vote of 35 to 29.

**The Crops.**—The Charleston Mercury says, we are happy to learn through a gentleman just from the interior, that the crops in the Upper Districts are very good. The grain crop was generally fine. In Pendleton, Abbeville, and Edgefield, the cotton crops have also yielded well. In Abbeville and Edgefield, it is much larger than last year, and the greater part has already been gathered. Whatever may be the falling off in other parts of the South, it is certain that in this State the crop of short staple will be heavy. Our accounts from the Sea Island Planters, we are sorry to say, are unpromising.

**Dr. Graham's**, the famous lecturer on all kinds of abstinence, has come out most violently against roast pig. This is natural enough in a philosopher that considers saw dust pudding the chef d'œuvre of eatables.—*Albany Daily.*

**Advice.**—Mr. Send, in a sermon on evil speaking says elegantly, "our advice must not fall like a violent storm, bearing down and making that to droop which it was meant to cherish and refresh; it must descend, as the dew upon the tender herb, or like melting flakes of snow—the softer it falls the longer it dwells upon, and the deeper it sinks in the mind."

**Melancholy Accident and loss of life.**—The steam Boat Rhode Island, bound from Providence to New York, on Monday night 7th inst. ran into the sloop Eliza Nichols, bound to New Bedford, rendering the sloop a perfect wreck, and a Mrs. Howland was unfortunately killed. Two persons were rescued from the cabin of the sloop by being cut out.

**REMEDY FOR ASIATIC CHOLERA,**  
CHOLERA MORBUS, DIARRHŒA, &c. &c.  
Prepared only, and sold by the sole Proprietor, ROBERTS BERNARD, Drug-gist, Norfolk, Va.  
Price \$1.—Patent right secured.

In consequence of the very great and increasing demand for this invaluable preparation, induced by the many cures which have been effected by the use of it in cases of Asiatic Cholera, common Cholera Morbus, and disorders of the Bowels generally, the proprietor has prepared, and will continue to keep on hand, a large supply.  
This Remedy has been used by many eminent Physicians, some of whom have charge of the largest Hospitals in the United States, where the Cholera has prevailed to a great extent, and been fatal to intemperate, aged, and lunatic persons. Their confidence in this Medicine is such that they say they are not afraid of the most inveterate cases of Asiatic Cholera, when taken in time.

**DIRECTIONS.**  
Take a table-spoonful of the mixture, with the same quantity of water, every hour or half hour, as occasion may require, until vomiting, purging, and pains have ceased. In common ordering, and in cases of Diarrhœa, a table-spoonful of the mixture may be taken three or four times a day, and repeated at night, upon going to bed. This and repeated at night, upon going to bed. This medicine has been administered to children afflicted with diarrhœa, or Cholera Morbus, Cholera Infantum, and Summer Complaints, with complete success. In no case has it failed to cure the most inveterate attack. The best mode of administering it to young children, is to take a tea-spoonful of the mixture and mix it with the same quantity of water, giving it as above directed—a little sugar may be added, to make it more palatable. Keep the bottle well corked.  
Undoubted testimony of the efficacy of the above Medicine may be seen at the Standard Office, where it is kept for sale.

**DR. PRATT'S Artificial Nipple Shield.**  
FOR the prevention and cure of Sore Nipples. The following highly respectable certificates are deemed a sufficient recommendation for those who are afflicted in this manner, to try them.  
From Doctor Wm. P. Dewees, late Professor of Obstetrics, in the Medical University of Philadelphia:  
Doct. ELIJAH PRATT:  
DEAR SIR: As I feel it a matter of much public importance, to possess a means of lessening the terrible sufferings from sore Nipples, I have much pleasure in being able to say, that the "Shield" you offer for the preventing and the cure of this malady, is better adapted to the purpose than any I have heretofore seen. In the two or three instances I have known them to be used, much satisfaction has been expressed; and I have no hesitation to believe it will generally succeed: I am so well persuaded of this, at this moment, that I cannot forbear to express a wish that our city, through the various Apothecaries, may be supplied with them.  
I am yours, &c.  
M. P. DEWEES, M. D.  
Philadelphia, Jan. 13, 1834.

From Dr. Thomas Seawall, Professor of Anatomy and Physiology, Columbia College, District of Columbia:  
WASHINGTON CITY, 4TH FEB., 1834.  
Having examined Dr. Pratt's newly invented Nipple Shields, and witnessed its practical application, among my patients, I take great pleasure in recommending it as decidedly superior to anything previously known. It constitutes a perfect remedy for that distressing malady, Sore Nipples; a disease which so frequently afflicts young women.

TO CLAIMANTS under the act entitled "An act to carry into effect a convention between the United States and Spain."  
The Commissioner under the above act having this day adopted the following orders, they are published for the information of claimants.  
Ordered, That all persons having claims under the convention between the United States and Spain, concluded at Madrid on the 17th day of February, 1834, which are to be received by the Secretary of this Board, to the end that they may hereafter be duly examined, and the validity and amount thereof be decided upon according to the merits of the several cases, and the suitable and authentic testimony concerning them which may be furnished in support thereof. The said memorial must be addressed to this Board; it must set forth minutely and particularly the various facts and circumstances whence the right to prefer such claims is derived; it must be verified by the affidavit of the claimant.  
And in order to prevent unnecessary delay and to expedite the business of this Board, it is further

Ordered, That all the proof necessary and sufficient to support the respective claims aforesaid be filed with the Secretary of the Board at the time of filing the respective memorials thereof; or on or before the first Monday of December next, to which day this Board will adjourn.  
And in order that claimants may be informed of what is now considered by the Commissioner as essential to be averred and established, before any such memorial can be received by this Board, it is further  
Ordered, That each claimant shall declare, in his said memorial, for and in behalf of whom the said claim is preferred, and whether the amount thereof, and of any part thereof, if allowed, does now, and at the time when the said claim arose, did belong solely and absolutely to the said claimant, or to any other, and if any other what person. And in cases where the claimant, the memorial to be exhibited must further set forth, when, why, and by what means, and for what consideration, such other has become entitled to the amount or any part of the amount of said claim.  
The memorial required to be exhibited by all claimants, must also set forth and certainly declare, whether the claimant, as well as any other for whose benefit the claim is preferred, is now, and at the time when the said claim arose, was a citizen of the United States of America, where he is now, and at the time the said claim arose, was domiciliated, and, if any, what change of domiciliation has since taken place.  
The said memorial must also set forth whether the claimant, or any other who may have been at any time entitled to the amount claimed, or if any part thereof, had ever received any, and if any part thereof, money, or other equivalent or indemnification by way of insurance or otherwise, for loss or injury sustained, satisfaction for which is therein asked; and if any such payment or indemnification has been made, to set forth when and from whom the same was received. And that time may be allowed to claimants to prepare and file the memorials above mentioned, and the necessary proof; it is further

Ordered, That when the Board shall close its present session, it adjourn to meet again on the first Monday of December next, at which time it will proceed to decide whether the memorials, filed with the Secretary, are in conformity to the foregoing orders, and to pass upon the proof and validity of such of them as may be found in conformity to these orders.  
Ordered, That the Secretary of this Board do cause three hundred copies of the above orders to be printed for the use of the claimants; and also that the publishers of the laws of the United States at Washington; Portland, in Maine; Portsmouth, in New-Hampshire; Boston, in Massachusetts; Providence, in Rhode-Island; Hartford, in Connecticut; New York, in the State of New York; Philadelphia, in Pennsylvania; Baltimore, in Maryland; Richmond, in Virginia; Raleigh, in North Carolina; Savannah, in Georgia; New Orleans, in Louisiana; and also the National Intelligencer, in Washington; and the Commercial Advertiser in Salem, Massachusetts; be requested to publish this notice 3 times a week for 3 consecutive weeks, and 3 times in the first week of November next.

**Farmer's View FOR SALE.**  
THE Subscriber is anxious to move to the West, and offers for sale his Tract of Land whereon he now resides, lying on Deep River, in Chatham County, twelve miles above Haywood, one and a half below Evans' Bridge, four and a half below the Gulf, and twelve south of Pittsburgh; containing Twelve Hundred and Sixty-eight acres; more than one half lays in the Bend of the River, Six Hundred acres of which are cleared, and may be called first and second low grounds. There is a great deal of very good Land to clear, a good site for a Cotton Factory, and a Merchant Mill on the River. One half of this site is owned by Peter Evans, esq. This Tract is less subject to be injured by high water than any tract on the River. It is very level for this section of country, and very productive for Corn, Wheat, Cotton, &c. &c. It is sufficient to say Twenty five or Thirty hands can be worked to very great advantage, and the farm made richer every year. The plantation is in good repair, well watered, the situation high and healthy; on it is a large Frame Dwelling House, four rooms below and three above, with six fire places, and a large framed Barn, fifty-two feet by twenty-four; in it is a large Wheel Thrasher and a Cotton Gin, a Cotton Screw, and necessary out-houses. For the information of persons in the lower part of the State, I refer them to Peter Evans, esq. of Edgecombe; he owns the land immediately above me, on the opposite side of the River. I offer to sell part or all, so as to suit the purchaser. I advise those who wish to get a Bargain and a good Farm to apply and shortly. The subscriber can be found on the plantation at any time.  
THOMAS FARISH.  
In a few numbers of the Standard the above name was printed PARISH, (thro' mistake,) instead of FARISH.
